Best Practice-II

The Title of Best Practice

Women Empowerment and Gender Sensitization

❖ Objective of the Practice

- To Empower women in the rural area
- To appreciate the work of women and to promote them
- To make respective place for women in the society
- To develop leadership in girls / women
- To increase the willpower of women / girls and make them self dependent and self defensive

❖ The Context

Now a days women is working arm to arm with man. In every field women seems to be in the leading place. It may be social work, educational, political, religious and service etc. But when we study minutely we come to know that the place of women is secondary. Especially in the rural area we see that women trapped in the bans of tradition and culture and that is why it is the need of time to make free from these bans and inspire them to be self dependent and self defensives. Our college is situated in the rural area and we aims to make women empowered. So as too special 'Women Empowerment Cell' is established in the college. Through these cell various activities and program are organized and conducted in the college.

❖ The Practice

- Organization of workshop of anti-ragging
 - * Every year our college organize anti-ragging workshop in the college. Anti-ragging committee is established in the college. The committee give attention to the safety and security of the girls and women. Girls are also asked to be in discipline.
 - * This committee includes re-presenting police department. The departmental re-presentive of police, API Arjun Ghode Patil and Police Consatable Santosh Kokane, Narayangaon Police Station, guide and encourages girls to be brave.
- Various programme are also organized through the 'Nirbhay Kanya Abhiyan' under the Student Development Department.
- Celebration of world women day
 - * 8 March is celebrated as women day all over the world. The object of which is to remember the great women's in the world and inspire women to be like theat. Our college also celebrate the day in different way by giving prize and honor to the leading women's working in different sector.
- To maintain the health of the girls yoga training is given in the college.
- For the security off gives and making them self defending they are given 'Karate Training'.
- Girls are given the guidance related to the police academy. Girls are also inspired for the competitive examination and the serve in the government service.
- Every year on the occasion of birthday anniversary of founder father 'Honorable Pandurang Pawar Saheb. College organized various types of competition, like Rangoli, Pak kala, Mehandi, Hand writing, Essay competition.

❖ Evidence of Success

- The output of the above mentioned activities and the efforts of the institution is that our girls students are have taken grip in various sector.
- Political sector Labade Vaishali Harku has become Sarpanch of nagapur village (Ambegaon, Pune)
- Some girl student are serving in the administration. Like as Police, Conductor, Talathi, Forest Department (Prajakta Sanjay Lende).
- Some student are making in their our business, using knowledge of their education.

❖ Problems Encountered and Resources Required

In rural area still now the mentality of the society is affected by tradition and culture. They are not ready to accept the modernity. For example, Inter cast marriage, higher education to the girls, freedom for women etc.

Giving higher education to the girls we should try to change the mentality of the society 'women is not second sex' is the thinking of the modern world and it should be accepted by the Indian society.
