VISION

1. To Provide quality education to youth in rural area and increase the employability.
2. To develop life skills and soft skills among the students and provide them value education which will contribute to nation building.
3. To provide them computer literacy courses in order to make them find job on global level.
4. To empower women and other economical backward people by giving the quality education.
5. To promote people for the quest for excellence by encouraging the students for high profile careers.

MISSION

To enhance the quality of higher education in order to empower the people from underdeveloped villages from India and make them liable to struggle for personal development in the world of globalization

“Our mission is to empower the socially, economically and educationally backward people from the rural society of the hilly and tribal villages of Junner Taluka and surrounding villages of Nimgaon sawa. We aim to make students to make use of their knowledge and education for the service of nation and society. To fulfil this aim we provide students possibly required facilities.”

To change the mind-set of the students by promoting them to avoid prejudices like gender inequality, classism, castism, religious inequality etc.

To encourage learners to find out and improve the hidden qualities in them like leadership, acting, soft skill, art and fine art

OBJECTIVES

To emerge as a center of quality education.

To focus on increasing computer literacy by using ICT technology in teaching learning process.

To promote students to be empowered by taking quality education.
